December Outreach

200 people, 78 decisions to follow Jesus. Food Relief for 100 families

Relief for 100 families in NE Nigeria

Families who have been praying for 21 years to experience peace but are still being attacked by Islamic militants.

Volunteer Training and Support

We currently work with over 30 pastors across 7 denominations in NE Nigeria. Without their partnership, reaching the unreached and empowering the persecuted church will be impossible.

In 2022 we had the opportunity to impact over 300 families with food relief, training and sharing of the gospel. Some highlights are Last December, a ministry outreach to an emergent church that is a target for Islam. During the outreach (Dec 22), we provided food relief for 100 families struggling with food shortage, many of whom Islamic militants forcefully grazed their farms. Our volunteers (pastors and elders) partnered with 7 different denominations and shared the gospel (using a mini projector kit) in the local language with about 200 people; about 78 gave their lives to Christ.

Comments from Beneficiaries in Past Year

"The Jesus film touches me, I almost wept. I need this kind of reminder on the Life of Jesus so that I can pattern my life on the same track."
